

Carnival Plans Progressing

Plans are moving ahead for the Annual Ice Carnival to be held here on Saturday, April 8th. Young members of the local figure skating club have been attending regular prac-

tice sessions to whip their routines into shape. The photo below was taken at Saturday morning's practice and shows instructor Lynn Burrows (left) helping Colynne Murray and

instructor Linda McMorris balancing Karen Machan. Other girls in the picture left to right are Karen Moody, Diane Wickland, Bev Simpson and Cindy Jones.

Publicity Director Appointed

Mrs. Mary Kublik, a member of the Drayton Valley and District Chamber of Commerce and proprietor of Mar-Nels Ladies Wear, has been appointed publicity director for the Centennial Committee here.

In her position as publicity director, Mrs. Kublik will endeavor to keep Drayton Valley and surrounding area informed on all Centennial projects and celebrations through the media of press, radio and T.V.

Alghouth a good portion of information for publication will be received by Mrs. Kublik from chairmen of various Centennial Committees, much more will be required by her to present the picture of what individuals may be doing in the Centennial Year. For this reason she will appreciate hearing from any individual or group that have planned or are planning Centennial projects.

Her home phone number is 542-3558 or she may be contacted during the day at Mar-Nels Ladies Wear.

Keep Fit Classes End

The Keep Fit classes conducted by Linda McMorris in St. Anthony's school have now come to an end for the season. The classes were under the auspices of the Town Recreation Board.

Classes started October 11th and ran to March 21st with an original enrollment of twenty-eight women.

If enough interest is shown it may be possible to continue the classes next fall.

SCHOOL BOARD MEETING

Estimate Indicates Possible Expenditure \$2,207,613 This Year

At the regular meeting of the Board of Stony Plain School Division held March 14 and 15 the secretary submitted a preliminary estimate of expenditures for 1967.

The estimate showed a possible expenditure of \$2,207,613.00 for the coming year. As the new Foundation Program Formula is not yet available it is impossible to estimate revenue for the year.

SCHOOL BOARD BRIEFS

The secretary advised the Divisional Board that a revised Janitor Contract was forwarded to the Board of Industrial Relations for approval or comment. To date no reply was received.

* * * *

It was moved and carried that the Board of the Stony Plain School Division continue to educate and provide transportation for the pupils from the Violet Grove R.C.S.S.D. No. 121 pursuant to Section 15 a (1) of the School Act.

* * * *

Mr. F. Hannochko reported on the meeting at St. Albert on February 17th regarding a joint Vocational School for St. Albert Protestant Separate School District, St. Albert Public School District, Sturgeon School Division and Stony

Plain School Division.

He mentioned that the majority of the people present felt there would be more advantage to having a Vocational School in Edmonton rather than in St. Albert. However, another meeting April 12th to discuss this matter further was planned for.

* * * *

Mr. Hannochko suggested some clerical assistance for the smaller schools, perhaps on the basis of 1 hour per teacher per week. Schools with 12 to 15 classrooms should have half time clerical assistance. This

Edmonton U.F.O. Society Investigates Area Report

A report of strange lights flashing in the night skies in the Moon Lake area has attracted the attention of the Edmonton U.F.O. Society and representatives of the group were in the area over the weekend to conduct an investigation.

In response to a report by Mr. Pete Hruschak of Moon Lake, three Drayton Valley men spent a recent evening in the area but failed to observe anything unusual.

PRICE 10¢

Rebels-Hawks in Finals

Drayton Valley Rebels eliminated the Edson Commodores in the semi-finals of NWHL action and go on to meet Hinton Hawks in a best three out of five series for the league championship.

Rebels clobbered Edson by 6-1 and 10-2 scores in the semi finals.

First games of the finals will be played here on Saturday, April 1st and Sunday, April 2nd, and then move to Hinton on April 8th and 9th. If another game is required it will be played here the following weekend.

Roy Hutchinson

To Honor Rebel Player

Saturday night's playoff game here between Hinton Hawks and Drayton Valley Rebels has been declared "Roy Hutchinson Night".

Roy suffered an eye injury in a game at Jasper on March 4th, and although released from hospital, is still having trouble with the injured eye.

The portions of the gate receipts normally kept by the hockey club and the Town of Drayton Valley will go into a purse for Mr. Hutchinson.

Wedding bells are also ringing for Mr. Hutchinson who will be married to Miss Donna Mastre on April 8th.

Club manager, Harold Reinhart, reminds district hockey fans to keep the weekend open for some real fast playoff action. The Hawks and Rebels have been evenly matched throughout the season and should provide an entertaining series.

Golf Meeting Date Changed

Due to conflict in dates the annual meeting of the Drayton Valley Golf Club has been rescheduled to Tuesday, April 4th at 8:00 p.m. in the Curling Rink.

School Board Briefs

Continued from Page 1
matter was tabled for the time being.

* * * * *
It was reported that the Department of Education is planning to proceed with Educational Television on Channel 11. At the offset this will be financed jointly by the Edmonton School Boards, Department of Education and the University. The rural Division and Counties may contribute on a voluntary basis.

* * * * *
Mr. Hannochko advised the Board that a Seminar will be held at the University for three days for co-operating teachers for Internships.

It was moved and carried that Mr. Hannochko be authorized to arrange for at least 5 teachers to attend the seminar.

* * * * *
It was moved and carried that Shirley Machan's resignation effective March 15th be accepted and that Mr. R.J. Elliott, Principal of the Drayton Valley Elementary School be authorized to engage a replacement.

* * * * *
It was moved and carried that the secretary and wife be authorized to be absent from duties April 25th to April 28th inclusive, and June 5th to June 9th inclusive to attend conventions, this to be part of their summer vacation.

* * * * *
A letter was received from the Gainford Chamber of Commerce requesting assistance in securing a flashing light on Highway 16 at the Gainford Store where pupils cross to board the school bus. The secretary was instructed to write the Department of Highways and request that this matter be

investigated.

* * * * *
The Drayton Valley Boxing Club requested permission to use the Junior High School Gymnasium at Drayton Valley twice a week.

It was moved and carried that the rental of the Drayton Valley gyms be left to Mr. J.W. Tyler.

* * * * *
It was moved and carried that resignations, effective June 30, 1967 be accepted from James McGuigan and Ebor I. Ukrainetz.

* * * * *
It was moved and carried that steps be taken to prepare for an addition to the Spruce Grove School.

DISTRICT NEWS

BERRYMOOR

Mrs. Bea Cropley,
Correspondent

Our deepest sympathy goes out to Mr. Pete Malainey whose brother James of Yorkton, Saskatchewan, passed away on the 19th. Pete left on Tuesday to attend the funeral which took place on Thursday, the 23rd.

Max Schwartz was home from Fort McMurray for the weekend.

Get well wishes are extended to Mr. O. Whittaker who was taken to the General Hospital in Edmonton on the 19th.

The Lifeliners motored to Poplar Valley on the seventeenth to take the Young People's service there.

The poorest citizens are those who don't want to know what is going on in their community.

Dale Lowry

Power Advisor To Work in West Area

Electricity and agriculture are the basis of a new appointment recently announced by Calgary Power Ltd. Mr. Dale Lowry, 38, of Cardston will assume the position of Agricultural Electrical Advisor in the Edmonton office of Calgary Power Ltd., effective April 1st.

This position, coordinated through the Company's Economic Development Section, is designed to deal with electrical power problems, specifically associated in the farming business.

Mr. Lowry will work closely with the farmers and District Agriculturists in the areas of Leduc, Stony Plain, Evansburg, Edson, Hinton, Sangudo and Mayerthorpe. He will be available for assistance in improving the use of electricity on the farms, particularly where the handling or moving of farm products is concerned.

Plan Drama Festival

There will be a Regional Drama Festival in the Memorial High School, Stony Plain, on April 14th and 15th.

Junior and Senior High Schools from Seba Beach, Sangudo, Lamondon, Boyle and Tony Plain are participating in this festival of Canadian one-act plays.

Mr. John Madill, Edmonton Drama Director, Designer-Director of Playground Players Vacation Time, a CBC-TV series, will be adjudicator.

NEW CLUB ORGANIZED

Evansburg District Gymkhana Club

On March 18 a general meeting was held in the Evansburg Hotel basement. The purpose of this meeting was to determine the number of people in the surrounding area that would be interested in starting a Gymkhana Club. There were approximately 35 people in attendance.

Acting chairman for the evening was Stan McArthur. Guest speaker for the evening was Mrs. Jackie Harke, long time member of the Drayton Valley Gymkhana Club.

The chairman asked Mrs. Harke to explain to the group the following: how a Gymkhana Club was formed; what was the purpose of this type of club and what it did; how the club operated and what generally was its membership fees and bylaws. She also discussed the equipment needed by the club, insurance and what the insurance covered, the structure of the executive, the chartering of a club and the joining of the association of Gymkhana Clubs. Mrs. Harke answered all questions from the group.

After Mrs. Harke's very informative talk the chairman asked for a vote of all interested in becoming a member. There were approximately 31 interested. A vote was also taken to see if the group would like to, at this time, elect an executive. This was carried and an election took place.

Pete Kaminski was elected president, Pete Peterson was elected Vice-president and Treasurer. Mrs. Jackie Harke was elected Secretary. Some of the directors were elected and it was decided that the rest of the directors would be elected after the club was better established. Directors elected were: Bill Sheridan; Frank Mahon; Greg Gylander; and Gail Kaminski. Stan McArthur was elected reporter.

The executive was asked by the group to be prepared by the next meeting to present to the group the following: several names for a club such as this so the group could choose a name at the next

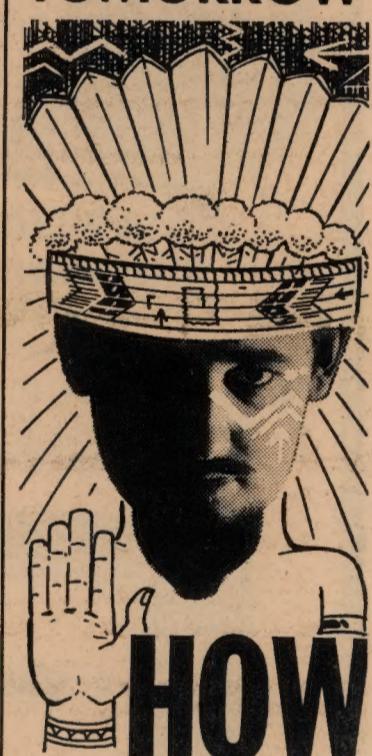

meeting; several places if possible that could be chosen as the home grounds; recommendation from the executive on membership fees; and a set of club bylaws that could be studied by the members for adoption by the club.

The next meeting date was set by the group for April 12 at 8:00 p.m. and it would either be in the basement of the Louie Grassi building in Evansburg or The Evansburg Hotel Basement. The chairman asked all in attendance to spread the word to the public that such a club was being started in the area and anyone interested would be welcome at the next meeting.

A vote of thanks was given to Mrs. Harke for her assistance and also to Stan McArthur for his assistance.

NUMEROUS LABELS
TO CHOOSE FROM

They Called It Tomahawk

By

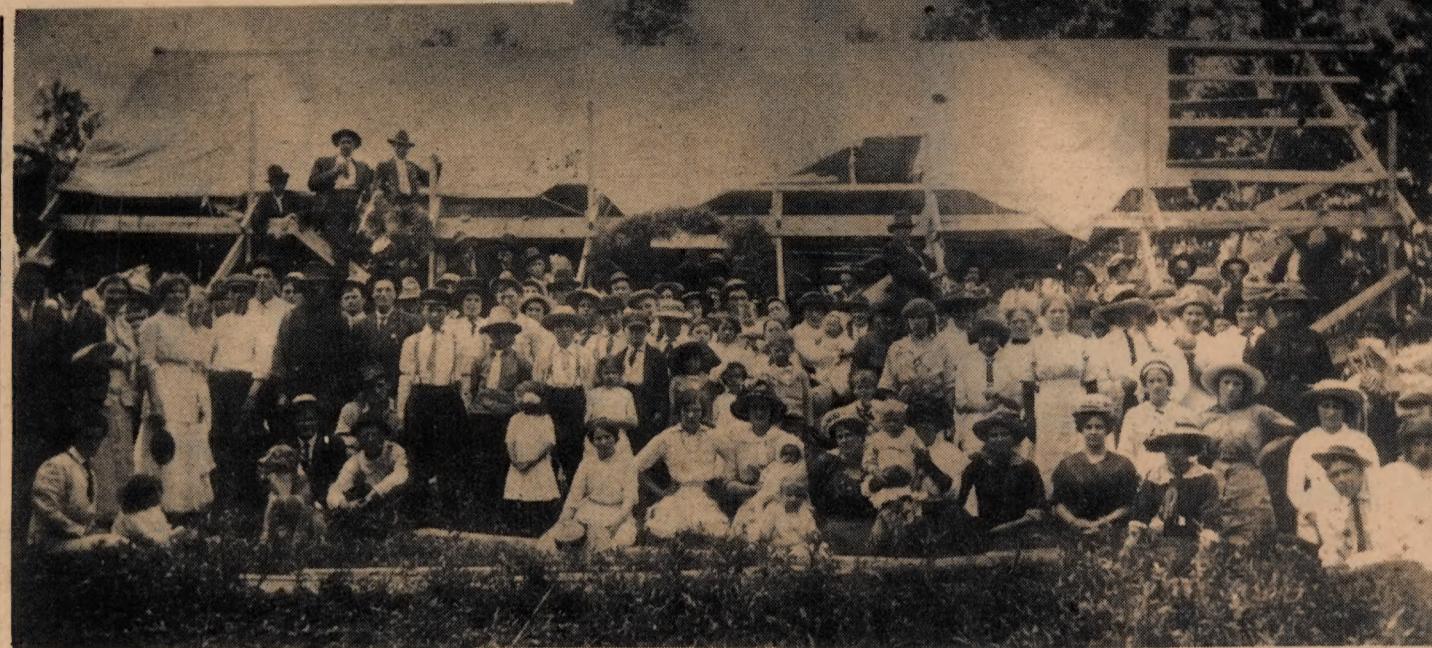

Frank Hallett

When Tomahawk was first settled it was still unsurveyed territory and the first settlers were squatters, who picked their places by guess, not knowing exactly where the lines should run. The four first settlers were lumberjacks. They were John L. Copley, Chas. Lindell, John Kelly and Ed Martin. They were working on a camp on the East end of the flat, known as Burtonsville Flats. They left camp one Sunday morning, taking their axes and some grub and hit up the Old Indian Pack Trail to the Northwest. When night came they camped on a school section where they got water from the creek which is on Rudolph Reichs about 1/4 of the way to the school. In the morning they looked around and picked out what they wanted. They started building a shack and finished it the same day. It stood for quite a few years at the top of the hill in the middle of the road. This was on John Kelly's place, SE 14, Tp. 51, R 6, W. 5. He put a sign over the door, "The Last Chance."

John Copley's quarter was North of Kelly's, which he later abandoned and took a quarter across the river where Berrymoor now stands.

Ed Martin took the N.W. section 12, Tp. 5, R 6, W. 5 where Richard Reich now lives. Chas. Lindell took the quarter East of where Jossy's live. He also abandoned it and took one across the river. The Post Office at Lindale was named after him.

When they were on their way to file their land, they met up with a couple of men looking for homesteads. They directed them to their marked places. It turned out to be Lewis Shaw and Martin McDonald who picked out

1914 Picnic at Tomahawk

Many residents of the Tomahawk area should be able to find themselves, friends or relatives in the above photo taken at an outing at J.F. Brown's picnic grounds

on July 1st, 1914. Photo courtesy of Eva Brown by way of Mr. E. Hamilton of Edmonton.

the South $\frac{1}{2}$ section 13, Tp. 5, R 6, W. 5. They both had families who moved out right away and the Shaw family still lives in our midst.

The ones who filed for land before it was surveyed just got a receipt for their money until such time as they would know their right places. The land wasn't surveyed West of the range line West of Mr. Wakelams and the homesteaders cut their own trails, made bridges and dodged muskegs. No one left home without an axe and logging chain. Most of the first settlers were lumberjacks who worked in logging camps in the winter and drove logs down the river to the Sawmill in Edmonton in the summertime. They also had market for their hay, grain, vegetables, meat, etc.

Among the earliest settlers were: David Plant, Max Peters, the Brown family,

Hallett family, Jenkins family, Mike Schadeck and three sons, Mr. Wakelam, Peter Crawford, Sweitzer brothers, John and Chris, Palmer family, Fritz brothers, Dan McKaig, George Jouan family, Paul Eskalot, Martin McGinn family, H.E. Kingsley, John McBoy, Ralph and Guy Thatcher, F.A. Robertson, Donald Archie, Mrs. McLeod, Bonskie family, the Harrison brothers, Rudolph Schadeck family, the Zanders, Pischkes, Steinkes, Jabs, Welks, William Reich's, Riedlingers, Campbell brothers, Underwoods, J.W. Rowlands, the Case family, Stones, Shields Knechtels, Combs family, Gus Lundstrom, Joseph Laitz, Mr. Engstrom and sons, Hamilton family, H.W. North, John H. Millar, Dr. Miller and family, Rumstad Bros., Peter and Charles Deschene, Rudolph Reich family and Jean Martin family. Most of those which haven't passed on are still here.

The first school was opened on August 15th, 1908 with H.E. Kingsley teaching until a permanent teacher was hired. Mr. M.L. Hoffman, B.A. was the first teacher who received \$475 a year. The first scholars were Harvey and Mildred Palmer, Grace and Evelyn Shaw, Florence and Alice Brown, Bessie and Hilda Hallett.

Rev. D.H. Lent held the first church service at the home of Martin McDonald. Rev. Lent also visited the logging camps in winter.

Henry Fritz opened the first store on the N.E. section 10, Tp. 51, R 6, W. 5, South of the Old Riedlinger Place. Everything had to be hauled from the city or Stony Plain by horses and oxen. Earlier, before Frit's store opened, people used to get supplies from the supply camps at the river. This had come up by the steam boats.

Martin McDonald was the first Post Master who hauled the mail from Mewassen, Southeast of Duffield. Before this everyone took turns

bringing in the mail. Tomahawk was named by Mr. McDonald and Mr. Shaw, after the place they came from in Wisconsin, U.S.A. Gladys Shaw was the first female child born in Tomahawk and Roy Fitz was the first male. The first person to die was a little boy of Peters, who is buried just inside of the South fence, South of Eric Myck's house. The next person was Mrs. Kinsley who was buried on the hill side on the quarter East of Mr. Wakelam's place.

In the early days the ladies got out so seldom that whenever they got the chance they dropped everything and

went along. If they happened to be baking break, they just bundled it up and took it along and baked it at their neighbors place. Some figured that it saved cutting wood at home. I have neglected to mention about a man who was located first on the Riedlinger place by the name of Jack Hornby. It was he who discovered the Pitch Blend ore that they take uranium out of for Atomic Energy. Mr. Homby, along with three Oxford University students who starved to death up in the North Country, while prospecting about 10 to 12 years ago.

Editorial — Comment

Historical Data Needed

The Western Review is interested in obtaining more information and pictures of the early days in Drayton Valley and points in this part of the country. We would like to carry more stories during Centennial Year of the type on this page about the pioneers of Tomahawk.

We appealed earlier for help from readers and in response received information and photos from one or two sources that will be printed sometime during the year. However, we don't have nearly enough to continue the series for any length of time.

If you have photos or manuscripts of any type dealing with the early settlement of this area we would very much appreciate hearing from you. Photos or manuscripts will not be damaged in any way and their return as soon as possible is guaranteed.

VIOLET GROVE NEWS

Mrs. Elsie Arndt,
Correspondent.

Get well wishes to Granny Landers who is in Drayton Valley Hospital. All your friends join together wishing you a very speedy recovery Granny.

A very pleasant surprise took place for the Landers and Allen families a few days ago when Granny Landers oldest daughter, Mrs. L.J. Wahlund of Pibroch, Alberta arrived in the district to visit us all.

A speedy recovery is extended to the Teeter children who came home yesterday after having their tonsils out.

A bridal shower was held at the home of Mrs. Ernie Chaput.

for Miss Gloria Brown who will be married April 21st.

Mr. and Mrs. M.B. Allen and family motored to Red Deer this weekend to spend Easter with their daughter, Mr. and Mrs. Wilfred Paul and family.

Little Lorraine Pequin is having a few days holiday with her sister Delores who has recently moved to Wainwright. Happy holidays Lorraine.

While passing a lonely corner on a dark night, a pedestrian was stopped by a voice coming out of the shadows.

"Would the gentleman be so kind as to help a poor, hungry fellow who is out of a job?" it asked, then added: "Besides this revolver, I haven't a thing in the world."

Aggregate Trophy Winners

Winners of the local aggregate trophy in the recent Ladies' Bonspiel was decided in a mid-week game after the close of the 'spiel with the Bray rink shown above emerging victorious over the Howarth rink. Members of

the rink are shown above receiving the Panky Enterprises trophy from Bill Halldorson. Left to right are Stella Bray, skip; Alice Leake, third; Brigid Mulgrew, second and Gladys Savage, lead.

CAR OF THE FUTURE?

A car which needs no driver is being developed at Ohio State University, and a researcher says it could be on

the public roads in 15 years. The car contains electronic equipment, much of it transistorized, which would be activated by electronic de-

vices imbedded in the highways. The system would allow the auto to turn, slow down or speed up as necessary, all on its own.

Molson's did - with 'EX'!

Always lively . . . never "in the rough" . . . that's smooth-brewed EXPORT beer. For smooth character and mellow taste - you can't beat an 'EX'!

SMOOTH-BREWED IN ALBERTA BY MOLSON'S

In The Legislature

By Mrs. C. R. Wood, M.L.A.

On Friday morning beginning the seventh week in the Legislature, Garth Turcott (NDP Pincher Creek-Crow's Nest) filed the documents with the Public Accounts Committee in support of his statements questioning the loans policy of the Provincial Treasury Branches. The copies are for two loans with \$60,000 each, one for \$75,000, three for \$12,000 and one for \$2,000 all with only an automobile as security one loan is secured by an undertaking business. These documents were to be considered at the next meeting of the committee.

In presenting "The White Paper" on the subject of the Development and Conservation of Human Resources, Premier Manning, in his first major speech of the Session, said it was "the most significant and most important document presented by this Government in its history." He stated that it was not a mere outline of a good program, nor like a five-year plan, nor a statistical review of economics or social conditions, but the paper spells out in precise terms, principles and guidelines for policies to meet the continued changes in developing human and physical resources of the Province of Alberta.

When the estimates for the Department of Public Health were under consideration, Hon. Dr. Ross announced that there had not been time to fully study the Report of the Special Legislative and Lay Committee inquiring into Preventive Health Services, but that this fall the Health Units would be called in to thoroughly discuss it.

After three afternoons spent on the estimates of the Dep-

partment of Health they were passed late Tuesday night. Twenty percent or \$168,872.850 of the budget is to be used in providing health services for 1967-68. Hon. Dr. Ross outlined the proposed plans for improving facilities for the mentally ill. The number of psychiatric physicians will be doubled and medical officers, psychiatric social workers, psychologists, group therapists, nurses aids and ward aids will all be increased in numbers. The appropriation to allow these was increased by \$17,281,000. An extensive program of renovations of present Mental Health Hospitals will be carried out and a hospital will be constructed in Calgary. The Cancer Clinic Hospital in Edmonton will be completed.

The highlight on Tuesday was the reply to the alleged improprieties against Hon. A.J. Hooke and E.W. Hinman that had been made by Garth Turcott (NDP Pincher Creek-Crow's Nest). Premier Manning tabled the documents which Mr. Turcott had said indicated improper conduct of the two members. The Premier stated that a thorough examination of the material revealed no evidence of wrong doing on the part of the two members concerned and whether any impropriety exists is a matter of individual opinion rather than a fact, he said.

Mr. Hinman tabled the documents giving his side of the matter and stated that the Turcott allegations were "frivolous, malicious and untrue."

Hon. A.J. Hooke said that all the documents tabled by Mr. Turcott, have been public information for years. The property was acquired by Mr. Hooke through an estate in England long before he became a Minister of Municipal Affairs and several years before the area was annexed by the City of Edmonton and exchanged at the request of the city for other land against the wishes of Mr. Hooke.

M. Maccagno, Leader of the Opposition stated that it would be regrettable and leave a cloud of suspicion over the Assembly unless this matter was referred to the Standing Committee on Privileges and Elections to examine and inquire into all matters and things relevant to the case and report to the House prior to prorogation of the present Session.

At the meeting of the Public Accounts Committee on Wednesday morning, C.K. Huckvale, Provincial Auditor reported on the documents submitted by Garth Turcott (NDP

Pincher Creek-Crow's Nest) regarding loans made by the Treasury Branches with only an automobile as security. In the one case when \$12,000 was loaned on June 23, 1965 for three years, four cars valued at \$17,760 were given as security all 1965 models. The loan was repaid in full on November 10, 1966. Mr. Turcott said he was completely satisfied with this explanation.

In the other case Mr. Huckvale reported sufficient security had been given by way of the same four cars and one other and land mortgages. The loan was to the same companies. As of January 1, 1967 interest to the amount of \$6,626.42 was still owing on the loan. Mr. Turcott then submitted a new document whereby an accountant had calculated that interest on this loan was more than reported. The statements were tabled and Mr. Huckvale will make a report on this at the next meeting.

On Wednesday afternoon, the estimates were concluded and motions made and carried to allow the \$834,428,491 budget for 1967-68 to be used to carry on the business of the Government. This had to be carried by March 31, 1967.

Second reading was given to Bill 500 the proposed Municipal Act. Hon. A.J. Hooke, Minister of Municipal Affairs in giving the background of the Bill stated that the purpose of the Bill is to bring uniformity in municipal legislation for towns, cities, rural municipalities and local improvement districts.

Thursday afternoon a resolution was discussed asking that a committee of Members of the Legislative Assembly be appointed to inquire into and report on ways and means of improving prisons, penal institutions and rehabilitation centres in the Province. It was moved by M. Maccagno (Leader of the Opposition) and seconded by Wm. Switzer (Lib. Edson).

The Legislature recessed on Thursday afternoon to reconvene on March 28th.

Butter Buying Price Announced

OTTAWA--The Canadian Dairy Commission announced last week that effective April 1st it will establish a basic buying price of 63 cents per pound for butter and 20 cents per pound for spray processed skim milk powder. The support arrangement for cheese will be announced later.

The Commission also announced that it will establish the principle of eligibility quotas for subsidy payments. The quota allotted to each producer will be the quantity of milk and cream on which he will be eligible to receive subsidy in the 1967-68 year.

Honor lies in honest toil.
Grover Cleveland.

Norman Tucker, right foreground is shown above describing his model fort to Mr. Woods, principal of Frank Maddock High School. Norman's fort was one of the displays at St. Anthony's Spring Art

Show held last week. Others visible in the picture from the left are Barbara Rasko, Joe Palmer, Margaret Hammerlindl, Father Lynch (beside Norman) and Brian Anderson (right).

Successful Spring Art Show Held at St. Anthony's School

The Spring Art Show held on Thursday, March 23rd at St. Anthony's school was very successful. The gym was gaily decorated in the spring theme with a white fence and bright flowers encircling the walls of the gym. All decorations were made by the grade seven class.

Our Alberta Heritage TURNER VALLEY

How would you like to buy an oil drilling site for the price of a horse? In the late nineties, Lafayette French and Kootenai Brown actually did, for the price of a horse, buy a slough showing oil traces. This became Alberta's first drill site.

It failed to produce oil, but it did produce excitement, and soon afterward Alberta's oil story really began with Royalite No. 4, in the now famous Turner Valley. That well went down 3,740 feet, and produced 21,000,000 cubic feet of natural gas and 500 barrels of oil daily. Two hundred holes later, in 1936, a wildcat put Turner Valley on the oil-producing charts in a big way, and the next seven years added a million barrels to the Valley's annual production.

Today Turner Valley is known as an outstanding ranching area as well as Alberta's first oil field — a million-barrel reason for Albertans to be proud of OUR ALBERTA. Courtesy Calgary Power Ltd.

Box 1900, Calgary — who will be pleased to send on request a copy of "Our Alberta Heritage".

Victor Borge tells of the wife making out her budget and complaining to her mate: "Darling, you've been making it slower than I can spend it, again."

The art displays featured from the grade five to ten art classes taught by Mrs. D. Hegholz included oil scumblings, balsa construction, collages, chalk drawings, silhouettes, a rustic fort made of drinking straws, and numerous drawings. The individual classes from grades one to four displayed drawings. Needlework on burlap was also displayed from the girls in classes 8, 9 and 10.

The main feature was "Fort Norman" skillfully constructed by Norman Tucker in grade eight. The fort, log cabin, barracks, stable, etc. was constructed solely of balsa. The replica consisted of over 1000 pieces of wood.

The following were recipients of awards presented for artistic talent as well as im-

provements in art skills. Mayor Pickup presented the awards.

1--Grade 1, Mary Ann Sieben; 2--Grade 1, Debbie Didyk; 3--Grade 1 & 2, Bonnie Sebry; 4--Grade 2, Sharon Lememeyer; 5--Grade 3, Jeannie Rudski, 6--Grade 4, Craig Wronko; 7--Grade 5, Shirley Lockhart; 8--Grade 6, Deirdee McManus; 9--Grade 7, Donald Serenias; 10--Grade 8, Paul Saulnier; 11--Grade 9, Barbara Rasko; 12--Grade 10, Valerie Willner.

Special awards were presented by Mrs. Hegholz to Norman Tucker, Grade 8, for his efforts in constructing "Fort Norman", to Margaret Hammerlindl, Grade 10, for her art work in "the call beyond duty", and to John and Ken Fournier, Grade 5, for their special artistic talents.

LODGEPOLE

Mrs. Charlotte E. Kay
Correspondent

Drayton Valley Mites defeated Lodgepole Lion Mites by a score of 10-2. Lodgepole goals were scored by Grant Wiltse and Wayne Karach.

The Drayton Valley Pee Wees defeated Lodgepole Lion Pee Wees by a close score of 4-2. Lodgepole goals were scored by Cyril MacMillan and Wayne Karach.

Lodgepole School was the scene of a unique event, when members of the Lodgepole Junior Choir entertained their mothers and guests at a "Fashion Show" and program of Easter Music.

The girls had made their hats and Miss Leslie Schultz acted as commentator and presented the prizes. The winners were: Miss Cheryl Hamilton; Miss Brenda Moisey and Miss Donna Elliott.

The program for the Junior Choir was as follows: The Maple Leaf Forever; Our Lord Arose at Easter; Children's Prayer; Fashion Parade, commentator, Miss Leslie Schultz; Eggbert the Easter Egg; Down by the Old Mill Stream.

The choir leader spoke to the mothers and outlined plans for the future which will include a concert and Centennial activities.

Mrs. R. Schultz tendered a vote of thanks to Mrs. Kay on behalf of the mothers after which a pleasant time was

spent over coffee served by the senior girls.

We would like to extend congratulations to Miss Jenifer Zilm and Miss Cheryl Pedersen who have been chosen as two of the twelve young ladies to go to Expo under the student exchange program, a Centennial project. We trust this will be a most rewarding experience and we know they will make Lodgepole proud of them.

Musicians Required

About twelve members presently constitute the Evansburg-Drayton Valley Band that is conducting regular practices in preparation for the spring and summer centennial events.

Al McKillop, a Drayton Valley member of the band, stated this week that there is room in the group for more musicians. However, only those who play an instrument can be taken in now as there is not enough time left to train beginners.

If you are a musician and would like to play in a marching band contact Al McKillop at 542-3977.

Congratulations To . . .

Women's Institute Plans Annual Flower Show

The March meeting of the Women's Institute was devoted almost entirely to revising the prize list for the annual flower show. The show is to be held in the Elks Community Hall on Wednesday, August 30. It is hoped that copies of the list will be available to all those

BOWLING NEWS

MIXED LEAGUE

In mixed league bowling for the week ending March 17 Hilda Rand has the ladies high single with 256 pins and Chris Frank the men's high single with 363. Ladies high triple is held by Eleanor Metzger with 617 and the men's high triple by Chris Frank with 813 pins. The Hobos hold the team high single with 1088 and the Gay 40's the high triple with 2829.

Men's high averages are: Rick Maertz, 222; Pat Hurley, 218; Stan Metelski, 213; Gord McManus, 208; Everest Lilje, 202; Bill Rose, 200; Dal Perry, Chris Frank, Gene Haire, 199.

Ladies high averages: Eleanor Metzger, 201; Emma Pigion, 198; Sylvia Copeman, 184; Kay Hrynyk, Bea Lainchbury, 182; Ellen Baker, 178; Marian Rempel, 175; Rita M Metelski, 175.

MEN'S LEAGUE

In the week ending March 17th Emil Hagman holds the high single with 346 pins and Chris Frank the high triple with 784. The Pin Nutz hold both the high single and the high triple with 1269 and 3617 respectively.

High Averages: Gord McManus, 210; Emil Hagman, 202; Dal Perry, 201; Bill Rose, 199; Chris Frank, 198; Everest Lilje, 197.

LADIES' LEAGUE

The ladies high single and triple is held by Pearl Barnes with 303 and 633 respectively. The Gay 5's hold the team high single and triple with 915 and 2489 respectively.

High averages: Eleanor Metzger, 194; Sylvia Copeman 192; Carol Redlinger, 182; Rita Metelski, 178; Doraine Ganske and Stella Murray, 175.

interested by planting time.

The handicraft list has been revised and gives much greater scope to individual members. Members of our branch hope to attend the Constituency Conference and also the Handicraft Tea.

Plans are being made for a plant sale in May. It is from this sale that the W.I. derives funds for the annual flower show.

The Women's Institute Girls' Club, under the leadership of Mrs. Leslie Brown, continues very active. At the April 3rd meeting Mrs. Edith Dunnington will demonstrate the making of fancy sandwiches.

Roll call was an Easter treat for young patients in the hospital. Mrs. Edmunds was hostess

Beef Club Meeting

The fifth regular meeting of the Tomahawk 4-H Beef Club was held on Tuesday, March 14th at the home of Carl Goertz. All but one of the members were present for the meeting.

Members volunteered to act in the Centennial Jubilee in Edmonton on Saturday, April 22nd.

The project, public speaking, was given by Glenda Pryor. A talk on judging was given by Bruce Goertz.

Slides on diseases in livestock were given by Dr. Kreycik, Drayton Valley Veterinarian. The members of the Tomahawk 4-H Beef Club would like to thank Dr. Kreycik for coming out to their meeting.

After the meeting lunch was served by Mrs. Adolf Peskunowicz and Mrs. Carl Goertz.

Roughage Quantity And Steer Gains

MELFORT, Sask. -- Increasing the level of ground roughage in finishing rations for long yearling steers resulted in reduced daily gains, dressing percentages, carcass grades, and profit per animal in a recent test conducted at the Canada Department of Agriculture Research Station here.

J. A. Robertson, a nutrition and pasture specialist who was in charge of the experiment, comments:

"The results of this test indicated that the greatest returns were realized from steers fed the lowest level of ground roughage."

"However, it was also apparent that good rates of gain and finished carcasses could be obtained on rations containing as much as 95 per cent ground hay."

"This is contrary to the popular belief that beef cattle can only be finished on rations containing a high proportion of grain."

"Higher levels of hay also reduce the danger of digestive disturbance, particularly during the initial part of the feeding period."

"With the increasing demand of the human population for high energy foods and the probability that grading standards will be altered to favor leaner carcasses, the economics of finishing beef cattle on rations containing large proportions of roughage will undoubtedly improve in the future."

At Melfort, 12 groups, each containing four Charolais-Hereford cross and four Angus-cross steers were self-fed rations containing good, medium, or poor quality ground hay at levels of 20, 45, 70, or 95 per cent of the total ration.

All roughages were ground to pass through a 5/16-inch hammermill screen. The remainder of each ration consisted of dry-rolled barley and mineral and vitamin supplements.

Average daily gains on all rations, except that containing 95 per cent poor quality hay, exceeded 2.2 pounds varying from 2.23 pounds per day (95 per cent medium quality hay) to 4.24 pounds per day (20 per cent medium quality hay).

A progressive decline in daily gain occurred with each increase in level of roughage fed. However, in spite of this, steers fed as much as 70 per cent good and medium quality hay gained 3.53 and 3.12 pounds per day, respectively.

Three of eight animals fed 45 per cent good quality hay bloated on several occasions. This reduced daily gains of this group below that of the steers fed the next highest level of good quality hay (3.06 pounds per day compared with 3.53 pounds per day).

During the first week of the test, digestive disturbances occurred in several animals fed 20 per cent levels of good and medium quality hay. Recovery was rapid and, except for the bloat problem previously mentioned, no other feeding difficulties arose.

All steers fed rations con-

taining 20 per cent roughage graded Choice or Good. Except for animals receiving 70 to 95 per cent poor quality hay, all remaining carcasses fell within the top three grades.

Dressing percentage (off-farm weight/warm carcass weight) also decreased with each increase in level of rough roughage. Differences became more marked between carcasses of steers fed the higher levels of medium and poor quality hay.

Profit per head also decreased as the level of roughage increased.

Profit calculations were based on local feed costs (barley: 90 cents a bushel; and hay: \$24, \$17.50, and \$12 per ton for good, medium and poor quality hay, respectively) and arrived at by subtracting cost of feeders, feed, labor, and housing from the carcass value.

Medium and poor quality hay resulted in greater profit per steer than did good quality hay at corresponding levels except when fed as 95 per cent of the ration.

The Angus crossbreds had an average daily gain of 3.10 pounds, averaged 75 days on feed, had an average dressing per cent of 52, and graded 10 Choice, 25 Good, 12 Standard, and one Utility.

Because of the need to feed the Charolais-Hereford steers to a heavier weight to obtain a graded carcass, these animals were on feed for an average of 92 days. They gained an average of 3.24 pounds per day, dressed out at 52.8 per cent and graded 7 Choice, 21 Good, 15 Standard, three Commercial, and one Utility.

EVANSBURG

Mrs. M. Bruner, Correspondent

Spring must be just around the corner for German measles are usually a harbinger of that season and we are now in the midst of having the said measles in our home. The first to have them has been baby Holly but we are happy to report she is doing fine, now.

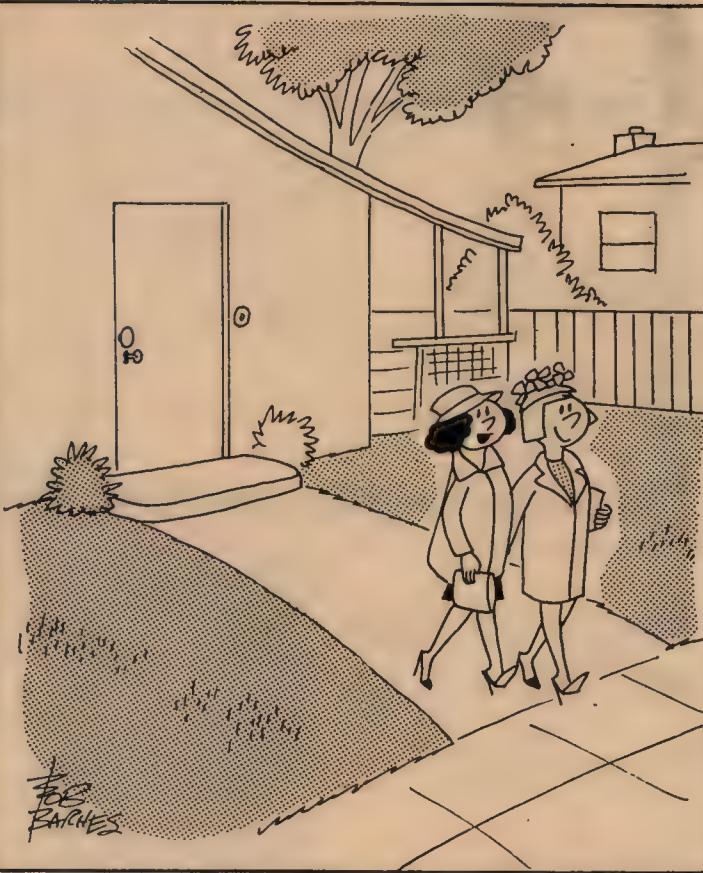

The members of the 4-H Club had a wonderful time curling at the Regional Bonspiel in Edmonton last Saturday.

The Boy Scout District Council held their meeting at the curling rink last week and many matters were discussed in connection with the Scout Camporee in May. Various Centennial projects were discussed as well and a "Guide to Red Tape" was given by Mr. Denny May when he explained why the various forms have to be filled out in order to register a Scout group.

A general centennial meeting was held recently. Plans are coming right along to celebrate the big day (July 1st) when the Centennial Caravan stops here in the village.

None is so rich or mighty that he can get along without a smile and none is so poor but that he can be made rich by a smile.

Recreation Round-Up

By
Mike Gormley

OFFICE RENOVATIONS

The Recreation Office has been renovated during the past weeks. The popular meeting room has been eliminated to make way for an equipment room and a private office. The office space is now situated in the rear of the room across from the Civil Defense Headquarters.

Office hours for the Recreation Department from now on will be from 10:00 a.m. to 1:00 p.m. and from 2:00 p.m. to 7:00 p.m. The Recreation Director will be in the office during those hours except

when attending to duties in the various phases of the program at the Civic Centre, the Swimming Pool, the New West Valley Recreation Park or any of the other Recreation facilities in the community.

PARTICIPATION CLINIC

A two-day Youth Participation Leadership Clinic will be held in Red Deer during Easter Week. Four local persons will attend. The Clinic offers expert instruction in leadership in eight different phases of the Recreation field. From the local group attending Glenda Galloway will take Drama, Linda McMorris, figure skating, Carol McGaughey, graphic arts, and Larry Metelski will seek to improve his knowledge of the game of hockey.

This Clinic is sponsored by the City of Red Deer in conjunction with the Department of Youth of the Government of Alberta. This is the first of

what is hoped will develop into a network of such participation clinics across the Central and Northern parts of Alberta.

RECREATION WORKSHOP

Dr. Bob Findlay and the Recreation Director attended the Regional Recreation Board and Administrators Workshop held at the Driard Hotel in Wetaskiwin on March 3rd. The workshop was very well attended particularly by Recreation Administrators from the north central area of the province. The chief topics of discussion were swimming pool management and programs, the possibility of organizing regional athletic competitions and the organization and control of Minor Hockey in this province. Deputy Minister, C.L. Usher outlined the plans and the proposed program of the Department of Youth of the Province of Alberta and Miss E.M. McFarland, Supervisor of the Department discussed the revision of the grant system. The meeting was chaired by Bill Bathgate, Recreation Director for the City of Wetaskiwin.

TENNIS POSSIBILITIES

Speaking of the Rotary Community Skating Rink, we are also speaking of the new tennis facility. The ice surface covers the tennis courts which were built last summer. This facility will offer an opportunity for all tennis enthusiasts during the coming spring and summer. Club President, Bruce Boles and his executive plan an extensive promotional program during the spring months and have high hopes for a very active season. Tennis is a fine sport and there is a definite interest in the sport in this district. We look forward to a successful program during this Centennial year.

CONFERENCE IN BANFF

The 1967 Pacific Northwest District Conference of the National Recreation and Parks Association will be held April 23-26 in Banff, Alberta. The theme of the conference is "The Seasons of Man" and it will feature some of the outstanding lectures in America on this subject of leisure.

Library Observes Nursing Week

With Display of Books

Books pertaining to the nursing profession will be on display at the Municipal Library this week. You are invited to come in to inspect them during regular library hours which are: Tuesday and Friday from 3:00 to 5:00 p.m. and from 7:00 to 9:00 p.m.

It is hoped that spring publications in the adult fiction

section will be arriving soon. Mystery readers have not been forgotten and several new releases promise to keep one wakeful.

Reminders to borrowers with overdue books have brought a splendid response. We wish to thank library patrons for their kind consideration in this matter.

Centennial Display

A popular centennial event in Ottawa this year has been the display of spring flowers, staged by the CDA Plant Research Institute at the Central Experimental Farm. Dr. J.A. Anderson, Director General of the Research Branch, explains the fine points

of one of the flower exhibits to Agriculture Minister J.J. Greene and Mrs. Greene. Looking on are Ken Wilson, in charge of the grounds and greenhouses, and Dr. A.P. Chan, Director of the Institute.

D. V. Highlights

BY MRS EDITH DEBY

It was a delightful surprise to me to meet Mr. Herb Leake last weekend. Mr. Leake's first wife and Matt Leake's mother, the former Miss Cecile McArthur, was a very special friend of mine when we were rookie school teachers.

Mrs. Violet Preston was a guest of her son-in-law and daughter, Mr. and Mrs. John Ibbotson over the holidays.

Miss Darleen Tucker was one of those patient ticket buyers who stood in line at the bus depot in Edmonton on Thursday night. On second thought probably patient is hardly the word to describe some of the passengers.

It has often been said that if you want a job done you should go to the busiest person in town. Perhaps that is why Mrs. Mary Kublik was chosen by the Chamber of Commerce to do the town's centennial publicity. A tip of the hat to Mrs. Kublik for consenting to undertake this exacting task.

Mrs. Marion Kendrick, formerly of Drayton Valley, and now Service Representative for Alberta Government Telephones in Edmonton, was visiting her son and daughter-in-law and two small granddaughters for Easter.

Mr. and Mrs. William Chisholm and family spent last weekend with the Henry Duncingtons. The Chisholms live in Calgary.

Mr. and Mrs. Fred Chipchase and Charles, of Vernon, B.C. visited family and friends here and in other parts of Alberta, during the ten day holiday. The Chipchases look well. Evidently the climate in their adopted province agrees with them.

Miss Janet Barnard entertained at her home on Monday evening in honour of Miss Anne Oscar whose marriage to

Mr. Barry Thompson will take place on Saturday, April 1st. Miss Velda Thompson assisted with serving.

Drayton Valley had an interesting visitor last weekend in the person of Mr. William Brodie of London, England. Mr. Brodie has achieved some prominence in London as a designer of play, T.V. and movie sets. He arrived in North America some six weeks ago to do research for a film planned by Universal International about the Sioux Indians.

He has travelled in Montana, Wyoming and Southern Alberta in search of a suitable site. The script is being written by Peter Watkins who is also the director. Marlon Brando has indicated his willingness to play the male lead if his other commitments permit.

Mr. Brodie had hoped that

Drayton Valley might yield a site but found the area too heavily treed for his purpose. He did, however, get some very fine shots of the buffalo in Elk Island Park. These, he said, would be useful.

Mr. Brodie expects to return to London by mid-April and the movie will probably go into production in August.

Veterinarian Opens New Office Here

The Drayton Valley Veterinary Clinic opened last week in its new location next door to the A.G.T. office.

Dr. Don Kreyck has announced office hours from 9 a.m. to 6 p.m. Monday to Friday and 9 a.m. to 12 noon on Saturdays. The office will be closed during noon hour.

The clinic phone number is 542-4318 and Dr. Kreyck's home number for after hours calls is 542-4216.

St. Anthony's Students Plan Centennial Drama Project

The grade nine and ten classes of St. Anthony's have decided to have a drama program for a centennial project. The proceeds of this play will be going for a worthy cause, not yet decided on.

"Rinse The Blood Off My Toga" is being directed by Sister Gabriel. Dan Denman is playing the leading role of Flavius Maximus, a Roman private eye who is hired by Brutus (Bonnie McGaughey) to find the murderer of Julius Caesar (Vallerie Willner). It is a comedy, showing dull wit of Flavius, and the cunning Brutus who displays his intelligence by outwitting Flavius.

During the different scenes, numbers by the Glee Club will be presented. These selections will be, "Canada", "Come Home John", "A Cheery Song" "The Shepherd", "Trois Canards", and "Young Canada". These are directed by Sister Gabriel with Mrs. Haack playing the piano.

A lot of hard work is going into this play by the prop committee, costume committee, and the make-up committee. The first showing of this play is expected shortly after Easter.

Annual Meeting Red Cross

George L. Pinnell of Yakima Washington, member of the American National Red Cross Board of Governors was the guest speaker at the morning sessions of the Annual Meeting, Canadian Red Cross Society, Alberta Division, held in Edmonton, March 23rd.

The chairmen of the various Red Cross Services presented their reports and the officers for the coming term were elected.

Mrs. Peggy Tyler was the Drayton Valley Branch delegate attending the conference.

WANTED FARMS AND RANCHES

The Drayton Valley and District Chamber of Commerce recently published an ad in a cross-country paper regarding suitable land for farms and ranches for sale in this area.

To date we have received numerous letters and phone calls from Vancouver to Ontario from prospective buyers who sound very interested in settling in this area. Inquiries range from small farms to ranches large enough to run 300 cows. Others again have a full line of machinery and as much as fifty head of cattle who would like to lease with the option of buying. Nevertheless there seems to be a large demand, so anyone interested in selling property of any description please contact

W.J. Sekura,
Chairman of the Agricultural Committee,
Phone 542-4337.

March 30--REVEEN in Frank Maddock High School at 8:00 p.m.

April 1--CENTENNIAL TEA in the Scout Hall from 2:00 to 4:30 p.m. Sponsored by the Action Group of the U.C.W. in conjunction with The Bay Fashion Show.

April 2--FILM in color entitled, "Riding The Pulpit" at 7:30 p.m. in the Church of God.

April 3--Air Cadet BINGO in the Legion Hall

April 4-- GOLF CLUB meeting at the Curling Rink at 8:00 p.m.

Evansburg Girls Visit City School

Marlene Langer, Judy Sichkaryk, Jerry Weigl, and Eugene Rudyk were guests of the Business Education Classes of the McNally High School in Edmonton on March 2nd and 3rd. They were officially welcomed by four McNally students who conducted them through the various classes and introduced them to life at their school.

The Evansburg students learned to handle business machines such as the rotary calculator, the printing calculator, bookkeeping machine, comptometer, and full key adding machine. The highlight of the business machines lesson was the running of the huge Offset Gestetner. They were able to produce a hard cover on this machine for their Centennial Artyping book, and also some letterhead to be used by the Office Practice class.

Other classes in which Evansburg Students participated were the Business Management class, Shorthand 30 and 31, and Office Practice 30. They were shown through the Science Lab where McNally students took their blood pressure and a sample of their blood to analyse. A trip to the Gymnasium proved most interesting, and a work-out on the climbing ropes and horizontal bars, etc. left them with stiff muscles.

At noon, they enjoyed lunch in the cafeteria, and a drive around the vicinity conducted by the President of the McNally Students' Union and others. The trip to Edmonton was very successful both educationally and socially, and it is something that will not be forgotten soon.

Displays Mark Nursing Week

To commemorate "Nursing Week" a table has been set up in the Drayton Hardware where pamphlets are available. Young people interested in the nursing profession are invited to drop in.

In keeping with this week's theme Mar Nels Ladies Wear has set up a window display of Nurses Uniforms.

BALLAD OF THE LOW SCORER
A spare or a strike looks so simple;
I watch all the others to see,
How they stand to throw and hit the pins
But it never happens to me.
My Opponents can knock down the counter,
Just as easy as easy can be,
But for me the ball rolls in the gutter,
It just never happens to me.
When only the counter is standing,
The others have fallen in glee,
Some bowlers can hit it so gently.
It just never happens to me.
Some bowlers score thirteen or fifteen,
I'm lucky if I can get three.
Somebody has to be at the bottom,
But why does it happen to me.

"Davy"

YOU DON'T PAY MORE

*The Bay is Best for Total Shopping. Take Your Food Budget to
The Bay and Do All Your Shopping Under One Roof.*

What do we mean, best for Total Shopping? Simply this: suppose your weekly food budget were \$20.00. You get more value for that twenty dollar bill at The Bay than you do anywhere else. This doesn't mean a shopping bag full of miracles. Value is not the same thing as price. Value is how much you get for what you pay. At The Bay, you get more. But you don't pay more. But offering you the widest variety of quality foods to shop from is only the beginning. At The Bay, we want you to buy with peace of mind. In a spotless, modern store, conveniently located, and staffed to give you the kind of service, that makes shopping a pleasure. Are these things important? Try shopping without them. That'll tell you in a hurry.

While shopping in our spacious Food Market, think what else your Family needs. Buy it at The Bay too, where total shopping is all under one roof.

Take your Food Budget to The Bay and see !
